Policy

I. The OCO is concerned that the policy is incomplete as it refers to interagency agreements that are not attached. Prior versions of the policy included a section that described the governing DOC/WSL Interagency Agreements (currently Directive: I. Interagency Agreements). Because these Agreements determine many details set forth in DOC 510.010, OCO suggests incorporating, attaching, or otherwise better identifying these underlying documents in an effort to provide clarity and transparency on the topic.
