II. A. 4.

The OCO strongly supports the proposed amended language which limits the review of criminal history to the current crime of conviction.

4. Not have a current crime of conviction involving driving a motor vehicle.

II. B.

The OCO supports this proposed change which would allow individuals to be approved for vehicle use despite parking limitations. The OCO suggests clarifying that individuals approved for vehicle use should be aware that space may be limited for parking a vehicle.

B. In Reentry Centers, space may be limited for parking a vehicle.
